

Classic Illnesses: **Telltale Signs**

A number of old diseases are making a comeback. The American Osteopathic Association recommends calling your physician immediately if you or a loved one has any of these unique symptoms.

Measles

Rash that starts on the face, red eyes and a bad cough

Mumps

Swelling above the jaw; plus aches, fever and other flu-like symptoms

Rubella

Rash on face lasting for 2-3 days

Chickenpox

Itchy red bumps that appear in clusters, plus flu-like symptoms

Pertussis

Intense coughing, with a distinctive 'whoop' sound

Prevention:

MMR Vaccine

MMR Vaccine

MMR Vaccine

Varicella Vaccine

DTaP/ Tdap Vaccine
